Prelude: Jesus Messiah - Praise Band
Come, Thou Fount of Every Blessing - Martin

Welcome

***Call to Worship:**

Leader: There are forces that try to break us apart,

People: And we choose to gather as one.

Leader: Conflict and tension, anger and resentment, tempt us to stay away.

People: Still we seek our God who unites us as one.

***Opening Prayer: On this world communion Sunday, we thank you, Lord, for the reminder that we are not alone. You are with us. We do not have to follow the crowd, because you have given us freedom to worship and to seek you always. In every generation people have experienced joy and struggle. Grant us wisdom, courage and the commitment to be your church today. In Christ, Amen.**

***Hymn:** UMH 569 - We've a Story to Tell to the Nations

Scripture: Hebrews 10:19-25

Therefore, my brothers and sisters, since we have confidence to enter the sanctuary by the blood of Jesus, by the new and living way that he opened for us through the curtain (that is, through his flesh), and since we have a great priest over the house of God, let us approach with a true heart in full assurance of faith, with our hearts sprinkled clean from an evil conscience and our bodies washed with pure water. Let us hold fast to the confession of our hope without wavering, for he who has promised is faithful. And let us consider how to provoke one another to love and good deeds, not neglecting to meet together, as is the habit of some, but encouraging one another, and all the more as you see the Day approaching.
