

Discipleship Pathway

	Wondering	Entering	Learning	Imitating	Exporting
Knowing Jesus	Wondering how to “get by” or live a meaningful life. Jesus’ teachings are intriguing.	Become a Christian through profession of faith in Jesus as Savior and Lord.	Explore the teachings of Jesus through regular worship and Bible study.	Become like Jesus by applying his teachings in daily life.	Invite others to explore the life and teachings of Jesus.
Life of Prayer	Wondering if it’s possible to be in relationship with God and how.	Introduced to prayer and ways to start and grow a relationship with God.	Learn about and try out ways to pray. Remain in contact with God on a regular basis.	Experience close fellowship with God through the kind of prayer life modeled by Jesus.	Model a closeness to God that is attractive and inviting to others.
Discipleship Practices	Wondering how to grow in faith or go deeper in practice.	Introduced to specific acts of compassion, justice, worship, and devotion.	Learn about and begin to practice disciplines like worship, Bible study, and service to others.	A variety of discipleship practices become habitual and part of daily life.	Lifestyle based on the practices is attractive and inviting to others.
