Now Judas, who betrayed him, knew the place,
because Jesus had often met there with his disciples.

John 18:2

Judas knew where to find Jesus during this intense period of religious preparation. It was no secret that Jesus would be with his disciples in the garden praying together. If we had someone who wanted to betray us, where would that person tell our enemies to find us? Would they know where we would go to be in prayer? Interesting questions aren't they! Can you imagine a better complement than our enemies knowing that they could find us in the place of prayer!
