Phase 2 Regathering

All plans are subject to change

Healthy Environment

WE HAVE TAKEN THE FOLLOWING EXTRA MEASURES TO KEEP US AS HEALTHY AS POSSIBLE:

1. We have hand sanitizer in many places
2. Children's Check-in will have only one volunteer using check-in computer (please text CHECK to 717-838-5447)
3. Greeters are ready to open doors for you
4. Offering boxes are located in the back of church
5. Volunteers are cleaning high touch areas between services especially in children's areas
6. We have disinfecting wipes in bathrooms— please wipe down door handles, toilet handles, and sinks after use

Rearrange Auditorium

Our goal is to keep the auditorium at 50% of regular capacity while continuing to evaluate distance and safety measures.

Minimize Touchpoints

We have temporarily eliminated things like:

- Coffee and donuts
- Bulletins
- Greeting time
- Passing offering baskets
- Hugs and handshakes

Best Practices

Self-Health Assessment

We are asking that you stay home if you (or your child) have a 100+ degree temperature or cold/flu symptoms. If you or someone you know has been in contact with an individual diagnosed with COVID-19, we would ask that you not return to church for 14 days. If someone in your household or that you have come into prolonged contact with, has an outstanding Covid-19 test, please refrain from attending until a negative test result has been achieved.

Respect Space

We will ask that you remain conscious of how close you are to other families. Please when sitting in the auditorium, skip two chairs between your family and others in your row.

Mask Choices

If you are attending the 9AM service, please wear a mask. Masks are optional at the 10:45 service. We want you to understand this before choosing whether to attend.

“So then, let us aim for harmony in the church and try to build each other up.” ~ Romans 14:9, NLT
