The Best Choice

“Things are very hectic. The baby is really fussy, I think [it is] because I was so upset my whole pregnancy. I knew when I decided to keep the baby it was not going to be easy at all. One day at a time is all I can do.”

*It’s been a challenge with the other kids, **but when I see her face, I am so happy I didn’t go through with the abortion.** The kids are so happy and love her so much. Again, thank you for everything.”*

How different life would be if "Genevieve" decided to have an abortion. At Mosaic, we see too often the impact on women, and men, who have chosen to end their pregnancy and it is heartbreaking.

"Genevieve" found Mosaic and we are here to encourage her and provide resources so she can be the very best Mom and her beautiful daughter can fulfill God's purpose. What a blessing it is to be part of this life-saving work!

YOU are the reason Mosaic is answering the call to be the hands of Jesus, a light in the darkness and chaos of someone who is struggling for hope.

Thank You!

MOSAIC BRINGS THE GOSPEL TO JAIL

Last week, Mosaic was given an incredible opportunity to preach the gospel to a group of ladies at Prince William Jail.

During a sexual integrity presentation, our education director, Janine, was asked by inmates to explain further about the Holy Spirit (who He was and how He could help them maintain healthy sexual boundaries.)

Janine was able to tell the whole room all about Jesus, what He came to do, and how much He loves them. They were eager, attentive, and excited to learn more about Him and to better understand how, through His power, they can set their own healthy sexual boundaries.

For more information about Mosaic's Education program, please contact Janine Osowski at joslowski@mosaic-virginia.org

VOLUNTEER SPOTLIGHT!

Sarah Wilkinson has been an advocate counselor with Mosaic for 12 years. She and her husband, Robert, keep busy with 7 children, 3 of them adopted. They were voted Loudoun County Foster Parents of the Year in 2018 and were just awarded the title of Angel of Adoption by Barbara Comstock's office.

When asked about her ministry here at Mosaic, she says, "God knows each situation and puts me in the room at the right time. I've seen time and time again how he helps me connect with our clients in ways that could only be attributed to God."

We are so blessed to have Sarah and the many great volunteers called to this ministry!

If you'd like to know more about volunteering at Mosaic Virginia, please contact Anne Schultz at aschultz@mosaic-virginia.org.

Often, clients will ask Sarah about the tattoo on her arm and she uses that opportunity to point them to Jesus. The semicolon is used when an author could have chosen to end their sentence, but chose not to. She explains, "the author is you and the sentence is your life."

Sarah added a heart with the cross to signify that instead of ending or giving up, you can keep going through Christ's love.

**URGENT NEED:
SPANISH-SPEAKING VOLUNTEER**

Mosaic Virginia is in need of a Spanish translator to help us reach **more clients** and save **more babies** in Loudoun County. A translator would be responsible for **taking phone calls** from Spanish-speaking clients who may be in crisis, and **scheduling appointments**. They would also need to be **available during those appointments**, to translate for client, nurse, and advocate. If you're interested in filling this kingdom need, please call our office (703) 729-1124 or fill out our volunteer form [by visiting our website](#).

Thank you for your partnership in the Gospel to bring truth and hope to women and men with unplanned pregnancies.

Do you have a prayer request? Our staff gathers daily to pray for our clients and partners. Please let us know if you would like us to lift up a specific request for you.
