## *In Mexico*

Dear Friends,

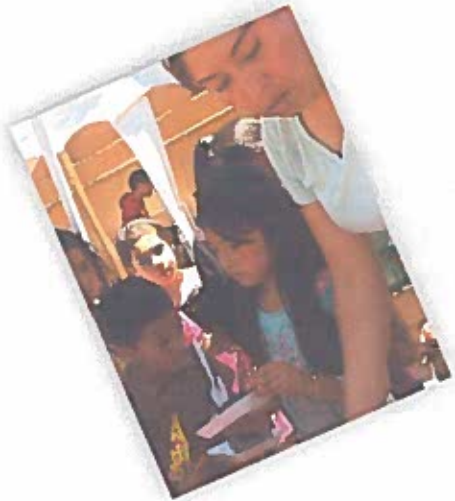

June 2018

We are thanking the Lord for every remembrance of you and your faithful prayers for His work here in Tijuana. These last two months have been exciting in so many ways and we have felt your prayers! God's light is shining, and lives are changing.

We started off May with a 5 De Mayo event for the breakfast program families. Lots of decorations, good food, fun games, and a strong, loving message were used to show God's love to new ones as well as the regulars.

Since that time, we had two outreach events to the families of the community, as well as a Ladies Tea and a men's event. New ones have come to each of these outreaches and we are seeing growth. It is so wonderful to see the blended church united and joyful; using their gifts for the Lord and seeing fruit.

In a few weeks (first week in July) Nayeli will be graduating from High School. She is the first Mixteco from our church to graduate High School. Many in her extended family only have 3<sup>rd</sup> grade education. We, as well as her family are so thankful to the Lord for helping her finish. It has always been such a deep desire and prayer for us to see each child get a good education and to help keep them off the streets. Our hearts are full right now.

Angel has finished his second year of Bible training and Pastor Alberto has him teaching an adult Sunday School class on the Gospel of Matthew. He hopes to continue his studies in the Fall and we will be helping with scholarships as the Lord provides. Please pray for his wife, Rosa who is going through some troubled times right now.

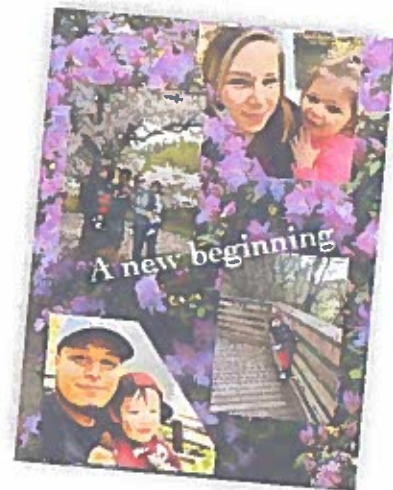

Many of you have prayed for Lucero, one of the young ladies in our youth group. We continue to thank the Lord for the miracle of bringing Lucero back into the fold, recusing her from drugs, and helping her to see that she is loved by Him. She has been off drugs for almost a year and has a steady job. She will be attending a nation-wide youth conference with Pastor Alberto, Anna, and Nayeli in Guanajuato, Mexico from 7-28 to 8-4-2018. Thank you for your prayers for her!

We know many of you want to know how the legal work is coming along, as well as the construction plans. Well, it is a time of patience as the legal work is not finished and construction has been on hold. Things are going as fast as molasses, but we are hopeful, joyful, and waiting on the Lord! Meanwhile, on each Saturday, all summer long there will be work days for the men and we hope to see progress on the prepping of the land.

Praise the Lord with us for allowing Cori, Carlos, and grandkids to move to Oregon. Carlos loves his job and all of them just love being there! God has been so gracious and good! Thank you for praying for them the last few months.

Our youngest, Michelle has been working hard with the start up of her own business and seeing God's blessing. She also is working on another one of her dreams of officially becoming a pilot. Two words that best describe her are integrity and adventure!

In closing, we would appreciate prayer for our health. Dave has been fighting an infection and Debbie needs to see a hand specialist for a tendon issue in her writing hand with possibility of surgery.

*Many things to be thankful for and especially thanking the Lord for you,  
Dave and Debbie*
