

Trinity Church of Loudoun

June 24, 2018

This wasn't, to use church plant language, our "Full Launch" (that's September 16th, when we have fully public services). This wasn't even our "Soft Launch" (that's this coming Sunday, when we come together for a time of worship and training, as we'll do weekly through the Summer). We can't wait for those dates.

This was actually more important. For the first time, we recited our Church Covenant together aloud, declaring how we intend to live towards one another by God's help. We then took the Lord's Supper together, symbolizing our unity under Christ our Head. And finally, new members then "ruled" for the first time (we are Congregationalists!), installing David & Matt as the church's first elders. We sang, prayed, and celebrated. *We became a church.*

Thanksgiving to all of you, and join us in praising God for His kindness in this!

This was "the moment" - David led us and we shared the Lord's Meal together for the first time, singing "Behold the Lamb."

39 Founding Members

After the Covenanting Service, a line was formed as the church's first members signed our Church Covenant.

It's a combination of lines from very old Covenants, along with some more recent ones.

Our first members got "Starter Kits," which included:

- Sweet shirts designed by 2 of our members (Juliana & Evan)
- A book on the Gospel & Hospitality we're going to read through together this summer
- A Scripture Journal for the Gospel of Mark, which we'll be preaching through starting Sept. 16

- Of course, a Muji Pen, 0.7 Midnight Blue, so we all had something proper to write with

PRAYER REQUESTS

- Evangelism - Pray we see evangelistic fruit this summer.
- Preaching - Matt will preach John 3:1-15 this coming Sunday, and we'll be preaching various texts across the Summer.
- Kids Ministry - We are building out a Kids Ministry over the summer (we already have 30+ kids, mostly 8 and under!), pray we do that wisely.
- Teenagers & Grandparents - We have a few teenagers, and we'd love for God to bring many more even this summer. And we would love a few more gray hairs! Pray for God to provide a well-rounded, diverse church!
- Provision - God has been so kind in this area (THANK YOU), pray He continues to provide all we need. And we can now receive Stock Gifts, click the Button below to learn more.
