Dear Friends,

We are excited to announce that Windswept Academy completed its 10th year in operation this past May. This is an incredible milestone that you have played a huge role in bringing to pass. Your prayers and support have been, and continue to be, an enormous blessing. Thank you for partnering with us in this work. We want to share that we will have an additional milestone at the end of the 2019/2020 school year, as well. That is when we will present the first graduating class of Windswept Academy. If possible, we would love to have you there at this happy event.

Currently, we are preparing for our 2nd annual discipleship summer camp which will be from July 29th through August 1st at Byron Bible Camp on Lake Huron. Our students look forward to this period of fun, fellowship, and time spent with God's word. Please pray for those who will be attending.

Your prayers will also be welcome as we look for an additional elementary schoolteacher. If you know of anyone who may be interested, they can find more information on our website www.windsweptacademy.org.

We are also looking for families who may be interested in hosting a student in the future. We would like to provide homestay options for our graduating seniors who are interested in going off to college, vocational school, or internships. If this is something you might be interested in, please contact us at support@windsweptacademy.org for more information.

Again, thank you so much for all your prayers and support. We would like to ask that you remember us during these summer months. School is out, but our expenses continue. Our teachers are paid year-round, and we still require support for overhead expenses along with books and other school supplies for the coming year. We appreciate any and all financial and prayer support that you can give.

Thank you again and God bless,

Ilhami Konur
President
Windswept Academy

Thank you and
God Bless you all.
