March 16, 2018

Dear Friends,

It's that time of year again. Windswept Academy recently celebrated its 100<sup>th</sup> day of school. The children are still studying hard and enjoying their classes, especially their science classes.

The Windswept students had an awesome Christmas last year, thanks a great deal to those of you who showered so much love on them in the form of Christmas gifts. Thanks to our thoughtful donors, each child received multiple gifts.

We have been so blessed this school year. We have a wonderful woman from North Carolina writing grants for Windswept Academy, and we have already received help as a result of two of them: 100 books and sports equipment (shoes, balls, nets, etc.). We also had people come and upgrade the bathrooms in the gym. They went from wooden stall doors to nice metal ones. They now not only look more professional, they will last much longer as well.

As many of you know, this coming September Windswept Academy will be celebrating our 10<sup>th</sup> anniversary. Plans are underway for a celebration, and all donors and prayer partners are invited. We will send out more information as the time grows nearer. We understand that not everyone will be able to attend, but we would love to see those of you who can make the trip.

We praise God that He continually works through those of you who support the school with prayer and financial gifts. It is because of your faithfulness that we can continue ministering and teaching these wonderful children. We hope that you will remember Windswept Academy in your prayers and when you make your financial decisions.

Thank you and God bless,

Ilhami Konur  
President  
Windswept Academy
