Dear Friends,

We have just completed a wonderful year here at Windswept Academy. We finished this ninth year in operation with ninety students, and we are expecting over one hundred students next year. We ended this school year strong with our first science/education fair in May. See the pictures of some of the students with their exhibits below.

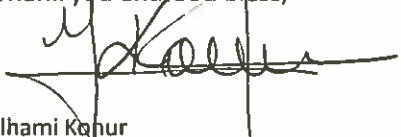

Many other exciting things happened this year at Windswept Academy as well. Along with the fun educational activities and programs, the students scored higher on their standardized tests than they did last year, AFA did a radio interview, and Windswept Academy was nominated for an award, but most importantly, we had six students accept Christ this school year. Now, over half of the students at Windswept Academy are saved. Praise God!

Plans are currently underway for our 10<sup>th</sup> Anniversary Celebration on September 27<sup>th</sup>. We will have a formal program at lunchtime during the school day. There will be a speaker and a performance by the children. We would love to welcome as many of our supporters and friends as can make it.

Finally, we ask that you don't forget us during these summer months. School may be out, but our expenses continue (and increase each school year with the new students who are enrolled). Our teachers are paid year-round, and we still require funding for overhead expenses, not to mention the finances needed to buy books and other school supplies for the coming year. We appreciate any and all financial and prayer support that you can give. Also, if you would like to come out for a couple of weeks or a month to work hands-on with the children, we can always use help tutoring. Housing will be provided.

Thank you and God bless,
