

# You Are...**CALLED AND GIFTED**

**"If you are what you should be,  
you will set the whole world on fire."** St. Catherine of Siena

The *Called & Gifted Workshop* guides individuals through a process of discernment in which they may recognize their charisms, gifts given by the Holy Spirit through baptism and confirmation. Charisms enable Christians to accomplish things for God above and beyond their natural abilities.

## **DISCOVER • DISCERN • DEVELOP**

Your Gifts through the *Called and Gifted Workshop*

**Charisms are real clues to who God created you to be,  
and what God created you to do!**

### **You will learn:**

- How discovering your gifts and your call can change your own life
- How discerning your call can change the world and help spread the Gospel
- How developing and using our gifts together can help transform our parishes
- The signs and characteristics of the most common spiritual gifts
- Five steps of discerning the gifts God has given you for your work in the world

**You have been empowered with gifts of the Holy Spirit!  
You are called to a special work of love that only you can do!**
