Let him know that whoever brings back a sinner from his wandering will save his soul from death and will cover a multitude of sins.

Last Week's Sermon: God-Focused Community James 5:13-18

How can we be a God-focused community? Walk intimately with God. Pray. Pray when we are suffering, praise when we are rejoicing, have the Elders pray for you when you are sick, and pray with others in your church family. We should desire to be holy and prayerful so that we can be a God-focused community.
