About West Edmonton Christian Assembly

West Edmonton Christian Assembly (WECA) has been serving the west Edmonton community for thirty years. We are a vibrant and welcoming place, uniquely situated for growth in Alberta's capital city. Greater Edmonton has a population of 1,321,426*. We see our church, neighbourhood and city as ready for an incredible move of God.

VISIONARY BEGINNINGS

A visionary endeavour, WECA started 30 years ago as a church plant by Harvey and Arlene Trauter in the west end of Edmonton where few churches existed. As an evangelical outreach, it started with a few key members who believed in reaching the west end of Edmonton for Jesus and a passion to be a church for the unchurched. The congregation has grown over time; starting in a school gymnasium, moving to a strip mall, and finally purchasing some farmland and building the current campus building.

WHERE ARE WE TODAY?

WECA's 85,000 sq. ft main campus includes an over-sized gymnasium, multiple classrooms and breakout conference rooms.

WECA is affiliated with the Pentecostal Assemblies of Canada (PAOC) and has completed the first iteration of its 5-year strategic vision including launching a second location at West Edmonton Mall known as WECA Chapel. In the next phase of development, our desire is to bring our community into deeper alignment and be known as a purpose driven people. WECA attracts people from all walks of life. It is a demographically diverse place where people are made to feel comfortable whether it is their 1st Sunday or 1000th Sunday. Our heart is to bring the outsider in and we consider it an honour to walk with those who are learning to belong, believe and become.

PART OF THE COMMUNITY

WECA is more than a "Sunday church;" it is a "community church" where many come through its doors for the various services it provides to the community. The main campus is as busy during the week as it is on the weekend, as it is offered as a facility to serve the community. Our family-focused programs strengthen our community from nursery, kids, youth, and personal growth to marriage ministries. In addition, many programs have been established specifically to reach out to the unchurched and provide a safe gateway for them to come in contact with our faith community.

Each of these programs are targeted to offer a "doorway" to the unchurched and provide a way to expose them to the love of Jesus in a safe and caring way. Whether it be the short devotional before a soccer game, or the ESL program where Christian literature is used to teach English to new immigrants, all programs are aimed at helping those outside the church encounter the truth of the Gospel.

WECA Chapel

Situated in West Edmonton Mall (WEM), the largest shopping mall in North America, the WECA Chapel is a unique outpost to help WECA further reach the unchurched. With an open and inviting space, the WECA Chapel seeks to provide a place for the lost and hurting to find refuge in a non-threatening environment. As the sign behind the welcome desk at the Chapel states:

You may be reading this wondering what we are all about. So here it is ... We've noticed something you've likely noticed long ago – NOBODY IS PERFECT. That is why we believe in second chances, forgiveness and new beginnings. We don't sell anything, and we are not a retail store. We will provide a place for personal prayer, honest conversations and community programs intentionally designed with our community in mind. EVERYONE IS WELCOME.
