**** Please look over this list carefully. If you listed someone on here and they are now better or are deceased, please let me know so that I can correct it. There are many folks on here that were on here before I began working on this list and I have no way of knowing if they still need to be listed.**

Also, if you or someone in your family is having an upcoming hospitalization or outpatient procedure, we would like to know so that I can list those in the bulletin. Please call and leave a message on the office phone, 336-599-0635, or email me: theresabaptist3919@gmail.com . Thank you, Fran.
