Dear Friends of SafeHaven:

Life challenges us to share our gifts and talents with the community; serving others and not holding back in how we advocate for those who need help.

We are so grateful that you chose to share your gifts and talents with SafeHaven this past Mother's Day. The women residing in our shelters have endured much and made great sacrifices to ensure safety for their families and themselves. It was truly special to see them honored with the beautiful gifts you donated. Please know that we are appreciative and grateful for your kindness.

For 36 years, SafeHaven has changed the lives of countless women and children caught in abusive relationships. We, again, thank you for partnering with us in our mission ***"to end domestic violence through safety, support, prevention and social change."***

With warm regards,
