I am blessed by my job as Business Administrator of Oakmont Church. I enjoy the people. God has given me many opportunities to minister with Oakmont and also provided valued information that has given my church, Oak City Baptist, the opportunity to be involved in missions in a broader scope. I am a native of Chatham County. Wesley and I make our home in Oak City, NC, where we raised our two daughters who have blessed us with three grandchildren. I graduated from Edgecombe Community College. I am an active member of Oak City Baptist Church where I serve as WMU Director and Sunday School teacher.
