My husband David and I have been members of Oakmont since June 1997. We have 2 grown children, Nathan and Lindsay. I grew up in Lynchburg, Virginia in a Southern Baptist Church and have been active in several CBF churches in North Carolina. I have served in various church ministries throughout my life: children's Sunday School teacher, Girls in Action leader, nursery volunteer, Women on Mission group leader, WMU Director, Operation InAsMuch Coordinator, etc.

Missions is my passion and it really began as a teenager in Acteens and when I served a missionary family in Mexico for 8 weeks in 1980. Serving on mission teams to Alaska, New York, Canada and Belize and numerous local mission ventures have continued to be a big part of my life as I seek to live out my faith.

If you would like to get involved in missions within the church, locally, nationally or globally, please contact me. There are many people who need to know the love of Jesus Christ and if you are willing and available, there is a place for you.
