I was born and grew up in Parsippany, NJ as the oldest of three children, attended and sang in the children's choir of Denville Methodist Church. After marrying, we relocated, along with most of our family, around Roanoke/Martinsville, VA. I began working at Oakmont in June of 2002 after leaving a career of 26 years at Hampton Industries in the Computer Marking Department when they closed due to manufacturing going out of the country. I've been married to Larry for 42 years and have a son, Jesse who is 28. We live in Grifton and I'm a member of Grifton United Methodist Church. I teach children's Sunday school, help with children's church, sing in the choir, and am one of the Financial Secretaries. I'm also involved in our Agape Circle, Worship Team, and the Epiphany outreach program at Dobb's School in Kinston.
