## Let's Pray...

- for Tanya and the VBS team as they prepare for VBS this summer. Please pray for God's leadership as people consider serving at VBS
- that God would speak through those preaching and souls will be touched during our Sunday morning Services
- our elderly people in the care homes, that they feel connected to the church family
- our moderator, council and PMC members as they make decisions for our church in their monthly meetings
- our missionaries we support through prayers as well as financially, as they preach the gospel in different parts of the world
- that the Lord would send rains to MCF/Kenya. The Thika River, running through the MCF farm, has dried up and they have ceased all irrigation in MCF Ndalani. Several schools, local governments, police units and communities cry out to MCF for help with food and water. In addition to their own 3500 children, MCF has many children and elderly coming in search of a meal. Due to the prolonged drought, purchased food staples have doubled in price
- for Aron Froese, Elizabeth Kasper, Mary Kasper, Margaret Reimer and Olga Reimer in Donwood Manor
