Church News

Assuming the situation in our province doesn't change, this Sunday will be our last online-only service. Starting next **Sunday, September 13** we will host our English service at 11am in the NKMB Sanctuary. To attend in-person you must register online before each Sunday you plan to attend by going to our website and filling out the registration form. If you are not able to register online, you may register by phone, by calling the office prior to 12 noon on Friday. Information about what to expect is provided on the registration page. There will be no Youth, Young Adults or Adult Sunday School. Children's Sunday School will take place part way through the 11am service. The service will continue to be available to view online on our website - however it will now be a recording of the in-person service that will be streamed live at 11am.
