Considerations for Making Your Initial Reservation

We are here to help you get started! You will find a list of ideas that will assist you in thinking through what reservation details may benefit your group event. You do not need to know all of the details when you contact us, but this guide may assist your planning and our conversations as we work together to make your event meaningful.

What is the purpose of your event?

Consider your vision for your event. Why is this event being planned? For what purpose? How you answer this question will assist you in envisioning what accommodations you may want to reserve, what meeting spaces will work best for your vision, and what activities or extra resources, such as a campfire, you may want to include.

When would you like to host your event?

Before you reach out to us, determine your preferred dates, and please note alternative dates in case your first choice is unavailable.

What are your facility needs?

- Think through what your lodging requirements are based on your group size and preferences.
- Determine your needs for meeting rooms, recreation, and other activities.
- Consider if your group members will need linens for their stay or if they will be bringing their own bedding.
- Determine what meals your group will need during their stay and if they might enjoy special events such as a campfire with s'mores, an ice cream social, or snacks.
- Consider the physical needs of your group members. Will anyone benefit from the use of a golf cart or an ADA room?

Ready to explore the center?

- Visit our website at sacramentocamp.org to get a feel for our offerings and facilities.

Are you ready to discuss details and reserve your dates?

- Visit our website and complete our [Group Inquiry Form](#) or contact our office at 575-722-2267 to discuss your needs, check current availability, and make your preliminary reservations.
- Our Guest Services team is available to manage registration for your group event. Please reach out to them for further details and pricing.

Have you secured your date?

- Pay the non-refundable Booking Fee to formally hold the selected dates (fees vary based on group size).

As you continue to plan your event, keep the office up-to-date on any changes in your reservation.

FINALIZING YOUR EVENT: THE 90-DAY SUCCESS CHECKLIST

To ensure your event is perfectly prepared and fully secured, please complete the following steps 90 days prior to your arrival:

Securing Your Reservation

- **Finalize Deposit:** Please submit an additional deposit equivalent to 10% of your estimated group invoice. This payment officially secures your reservation on our calendar and confirms all logistical planning can move forward.

Confirming Attendance & Billing

- **Estimated Guest Count:** Provide your estimated attendance numbers. This figure is crucial for finalizing room assignments and facility preparations. (Please note that payment for your group event is due at the time of check out; the finalized balance is based on the actual number of attendees for your group event, including actual meals, activities, and extras.)

Essential Partnership Documents

- **Liability Coverage:** We require a Certificate of Liability from your insurance carrier with a minimum occurrence limit of \$1,000,000. This standard documentation ensures comprehensive protection for your group and our facility.
 - **Action:** Please ensure the Sacramento Camp and Conference Center is listed as an "additional insured" party on the certificate.

The final payment is due upon check-out. Interest charges will be applied after 10 days.

The booking fee is non-refundable; however, if an event is cancelled, the fee may be applied to a future event, if re-scheduled within six months of the original booking.

The 10% deposit is non-refundable when cancelled within 90 days of event and is non-transferable to any future event.

Both the booking fee and 10% deposit will be applied as payments towards your final invoice.
