Sacramento Family Camp

June 27 - July 2, 2027

Thank you for registering for Sacramento Family Camp!

Our camp is devoted to a retreat that is geared for the intergenerational family, in which the study of God's word is implemented through daily morning devotions (Morning Watch), daily teachings (Platform Hour) and age-appropriate classes. The days are filled with fresh mountain air, great food, better fellowship, along with adventures and activities that all can participate in. Sacramento Family Camp creates lifelong friendship and fellowship. Our first night together is filled with glad greetings, hugs, introductions....and then we pick up where we left off from the year before. Whether you come to camp every year, or are just returning after a long absence, or are new to our camp...we are so very excited to have you join the family!

We want to help you to be ready for an unforgettable mountain adventure. If you have any questions about camp, please reach out to the **Family Camp Dean, Cheryl Costales** at **gobosox.costales@gmail.com**.
