First Club Night is August 31, 6:30pm-8:15pm

PARENTS NIGHT

on

Aug 31, Right after Flag Salute at the beginning of club - 7:15pm

I would like to talk with you about the new AWANA T&T Books. They are focused on learning God's Word along with memorizing it. Each week we will all be doing the same lesson. One Lesson/wk. Each lesson has questions that the kids answer throughout the week that ask about the verse and what it means to them. There is also a bonus section where they work with you to complete it. When they come to club they will talk about the lesson with their leader during small group time. For those who like to do more, there is a Gold and Silver section at the end of each lesson with activities and more verses to memorize. If that is not enough work please ask me for a Memory Packet.
