LifeHouse's Financial Aid Policy

It is our hope that students would not miss out on the opportunity to attend camp because of a financial need. So, we as a church provide aid as we are able to those who would otherwise not be able to attend. We believe that camps are often life transforming events. Many of our camps are already significantly subsidized by Calvary. The price we charge does not reflect the full cost of getting a student to camp.

Assistance is normally granted on a partial basis as need is determined. It is expected that each applicant will contribute towards the cost of the camp to the extent of personal ability.

Please complete this form and return it to the church office or by email. **In order for us to process the financial aid application, the student must be registered for camp with their deposit paid.** Fundraisers are in addition to the deposit and do not count towards the deposit.
