2019 AIA UTC Colorado Intern
Colorado State University, Fort Collins, CO
INFORMATION LETTER
Wednesday, May 22 to Sunday, June 2, 2019

Dear 2019 UTC Colorado Intern,

We are so glad that you have applied to intern with us! We want to congratulate you on your official acceptance as a 2019 UTC Intern!

As you know from your experience as a camper, the interns hold a very strategic and influential role at the Ultimate Training Camp. Whether it is through leading discussion groups, meeting campers for one-on-one discipleship, or interacting with our staff, Interns greatly influence the culture and help shape the future of the Ultimate Training Camp. Our desire for each of you is that your experiences as Interns would accelerate your personal development as a follower of Christ, as well as develop your leadership skills for serving on the campuses you will return to in the fall.

We have designed the UTC atmosphere to be very practical, highly competitive, and very personal and accepting. Our AIA UTC Staff are here to serve you and spend time with you; we look forward to meeting you. As you anticipate your arrival, **PLEASE READ THIS LETTER COMPLETELY** for important information you will need to know. All of your questions should be answered here.

After you have read this letter, if you still have questions feel free to call or email us any time. **Please note that your registration is not complete until you have paid your \$150 NON-REFUNDABLE registration fee with your credit card at your unique giving page you received through your acceptance email.**

INVITING YOUR TEAMMATES FROM YOUR OWN CAMPUS AND OTHER CAMPUSES

Many of your friends and teammates from your own team and athletic department or even other campuses may consider coming to our UTC knowing that you are going and that you invited them to COME WITH YOU! Your relationship with your friends could make the difference in whether they come and experience the same great week that you will. We, as your AIA staff, look forward to meeting you and spending time with you at our UTC! We hope to make you feel at home. Spending eleven days here in beautiful Colorado with men and women athletes from all over the country that you can relate to will be one of the most rewarding experiences of your life.
