

## Message Notes

### Fuel Part 3: U-Turn

Luke 17:11-19

→ a big day filled with emotions

#### #1 The emotion that should dominate our hearts and lives is

thankful.

→ ten men in need of healing - vs. 11-14

→ ten men had their lives changed - vs. 15-16

→ only one made a U-Turn - vs. 17-19

#### #2 Before we move forward, it's important for us stop and think

backward.

→ God's grace to us

→ God's grace to you

#### #3 God hasn't promised better life circumstances.

He's promised a better life.

→ unexpressed gratitude communicates in gratitude

#### #4 Thankful is felt in our hearts, but it's seen in our lives.

## Group Questions

### Fuel Part 3: U-Turn

Luke 17:11-19

1. What's one thing that you're going to miss about our Iberia property and building?

2. What life factors have you found that make it difficult for you to be thankful?

3. **Read Luke 17:11-13.** In your estimation, what would have been the worst part of having leprosy?

4. **Read Luke 17:14.** Why do you think Jesus didn't heal the ten lepers right away? Why did Jesus send them on a journey first?

Does this help bring understanding to how God might act in your life? Explain.

5. **Read Luke 17:15-19.** Unexpressed gratitude communicates ingratitude. Do you agree or disagree? Explain.

6. How does Jesus offer a better life even if the circumstances of your life aren't better?

7. **Read Colossians 3:17.** What does this passage mean to you?

What are some ways you can do this better?
