

CROSSOVER SOCCER PROGRAM AT SHARON

Frequently Asked Questions:

Are there any other fees to pay? Everything is included in the registration fee that you paid when you registered except pictures. See below for information regarding pictures.

How often do we practice? One evening a week & Saturday's for the first few weeks.

How long are the practices? Usually One hour.

What days do we practice? Monday, Tuesday or Thursday night and then also one practice on Saturday.

What time will my child's practice be? During the week Younger grades are held from 6 to 7:00 PM and older grades 7 to 8:00 PM. On Saturday they are usually from 9 AM to 1 PM.

Where is the practice held? On the upper level field at the Main Building (fenced in), Chapel field or Red Brick House (if needed) front and/or back yard at Sharon Baptist Church.

When are the games played? Each Saturday & one game during the week on a Monday, Tuesday or Thursday night.

What time will my child play on Saturday? Schedules will be provided to your child's coach and they will pass out that information to the parents at practice. We usually start our games at 9:00 AM and continue them through the day. You may not play at the same time each week.

What time will my child play during the week? Usually games are played at 6 or 7 PM with the younger players starting at 6 PM.

How long do the games last? Typically one hour as long as everything is going on schedule.

Do I need Cleats? Rubber cleats work best when playing on an outside field, especially if the ground is wet. Tennis shoes tend to make your player slip/fall. They are not required but highly recommended.

Do we have pictures made? Pictures will be made on a Saturday usually before your game time during the season for individual players and for the team. You will receive a free team picture. You do not have to order individual pictures. Picture information will be provided to your Coach and they will let you know the specific date/time.

Does our team have snacks? This is left up to the individual coaches and team managers. If you want to provide snacks after your game that is up to the parents to set a schedule.

Other Siblings/Children Issues during Practices/Games – If you bring other children to practices or games, they **MUST** stay within your eyesight and under your supervision. The children also do not need to be playing on the field or interfering in anyway with the practice or game. Please bring something for your child to do to keep them busy/occupied during this time.
