

## **How can I sign up for an in-person gathering?**

For worship and other in-person gatherings, you will be asked to register. To register for worship, in-person gatherings, or other ministry activities go to <http://oursaviours.com/home/registration>

## **What can I expect when I arrive?**

Masks/Face Coverings - Everyone over the age of two and medically-able is required to wear a face covering while in either of the campus buildings or on church grounds. You may bring your own mask, or one will be provided for you.

Social Distancing - Please be sure to maintain six feet of distance from other people when on the church grounds or in one of the campus buildings.

Health Prescreening - At each campus there will be a health prescreening protocol either by a personal check in or a check in station, depending on the activity. If you have symptoms or been exposed to someone diagnosed with COVID-19 in the past 14 days, you are asked to return home. For children and youth programming, parents will need certify the health of their child(ren).

Handwashing/sanitizing - To combat the spread of COVID-19 and other illnesses, you are encouraged to wash your hands or use hand sanitizer before and while attending in-person gatherings. Hand sanitizer will be available at all gatherings for your use.

Gathering Time Duration - The longer an individual's interaction with others lasts, the higher the potential risk of becoming infected with COVID-19 and/or COVID-19 spreading. For this reason, we recommended that all gatherings, including worship, be limited to 1 hour or less in duration.

No Food or Drinks - Please note drinking fountains are not currently operational, so we encourage you to bring your own water. The kitchen is currently closed and no food is allowed at this time.

No Communal Singing or Prayers at Gatherings - Due to the way aerosols travel through the air, there will be no communal singing nor wind instruments, and there will be either no or very limited speaking in unison (i.e. Lord's Prayer, Serenity Prayer).

## **When should I refrain from in-person participation?**

Our Saviour's recommends that you and your family refrain from participating in in-person gatherings for 14 days, if the following has occurred:

- You or your family have visited an area with widespread transmission, including any international travel
- Exposed to someone who has tested positive for COVID-19
- You or someone in your household tests positive for COVID-19

What should I do if I test positive after attending an in-person gathering?

If you or someone in your household has been at a gathering and tests positive for COVID-19 and/or develops symptoms within 5 days of the gathering, you are asked to contact your ministry leader. If you have questions on who your ministry leader is, please contact the front office at 314-635-0347.
