Loaves and Fishes Community Services

Loaves & Fishes Community Services (L&F) has served our community since 1984. The vision of L&F is to end hunger and transform lives in Naperville and DuPage County. Its mission is to provide food and leadership in the community by uniting and mobilizing resources to empower people to be self-sufficient. Community, compassion, dignity, hope, and service are the core values of L&F, and are incorporated into all aspects of the organization.

Client-families have access to healthy food options, as well as resources designed to encourage them toward independence. Services include Car Donation, Computer Training, Drop-in Health Clinic, English Language Acquisition Class, Emergency Financial Assistance, Emotional Support, Job Search Assistance, Legal Support, Money Education, Moving Up, Public Benefit Assistance, Resource Meetings, and Volunteer Income Tax Assistance.

Our Saviour's is one of the Cornerstone Partners of Loaves & Fishes, and has provided support for many years in the form of volunteers, financial donations, Packs4Kids Summer Nutrition, paper drives, and cleaning product drives,

Volunteer opportunities include help in donating and collecting products during OSLC drives, and assisting at the L&F facility with distribution, sorting, stocking, food recovery, home delivery, and CARES services.
