

# Our Saviour's Lutheran Church Missions

## **MEGA Garage Sale**

**THE MEGA Garage Sale** – The MEGA Garage Sale is a church-wide outreach mission to serve the under-resourced, and offers the community the chance to reuse, repurpose and recycle thousands of items. Execution of the garage sale builds friendships across the entire Our Saviours Lutheran Church membership and other volunteers from the community. Donated goods benefit the under served in our community and is consistently considered one of the BEST garage sales around for the quality and organization of the goods and the friendliness of the workers.

**Volunteer Opportunities:** A wide variety of volunteers are needed including setup crews, closet cleaners to show up with car loads of treasures to donate, people to organize donated goods into appropriate departments, pricing crews, hospitality crews, cashiers, traffic control, food preparation, and clean-up crews.

**When:** Setup begins the day after Memorial Day, with the actual sale days typically on the second Friday and Saturday after Memorial Day (in June).

**Where:** Celebration Campus

**Who:** Adults and older children under supervision of their parent or guardian.

**How to Get Involved:** Volunteer sign-ups will be announced in May. Goods to be donated can be set aside all year in your own “donation corner” to be dropped off in the designated donation drop-off window prior to the sale.
