

Our Saviour's Lutheran Church Missions

Packs4Kids

Packs4Kids is a collaborative effort with Loaves & Fishes Community Services (LFCS) to provide the client-children of Loaves & Fishes with healthy nutrition options during the summer months. When school is in session, client-children receive breakfasts and lunches at school. When school is not in session, child-friendly nutrition assistance is essential.

Volunteer Opportunities: Packs4Kids relies primarily on financial donations. LFCS, through the buying power of the Northern Illinois Food Bank, is able to purchase food at much lower prices than are available at local stores. Volunteers are encouraged to work at LFCS to assemble nutrition packs

Cost: \$30 will provide nutrition assistance for one family throughout the summer.

When: June, July and August

Where: Loaves & Fishes Community Services

Who: Open to all

How to Get Involved: Information will be available in April and May. Look for announcements in *Connections*, emails and information during services.

Packs4Kids Leaders: Nancy Couch, Brian Bollinger, Linda Collins
