

Our Saviour's Evangelical Lutheran Church Annual Meeting of the Congregation – May 31, 2026

Stewardship and Endowment Members

The following individuals are being presented as candidates for the Our Saviour's Endowment Committee: Kevin Andrews, Jeff Colaianni, and Greg Hooper. In addition, Kam Kniss, Leeann Nasman, and Mike Pura are being considered for re-election. Below are their bios for your review.

Kevin C. Andrews M.A. M.S.W.

I have had the opportunity to be an executive leader with over 30 years of progressive health care and leadership experience, with a strong background in Healthcare Operations, Quality, Patient Safety, and Mental Health and have focused on program development. In addition, I collaborated and partnered with community leaders and community providers to enhance medical and mental health services in Miami-Dade County.

I presently serve on the Boards of NAMI Miami, Thriving Mind and the Behavioral Science Research Institute, Thresholds and Miami-Dade Multi-Agency Peer Support Team. I have had the opportunity as a board member of these agencies to be a part of fundraising, and as President of NAMI Miami we have grown our fundraising to be third in the country.

I am a graduate of Concordia University in River Forest where I earned my bachelor's and my first master's degree. Over the years, I have served on my previous church boards with a focus on strategic planning for ongoing growth and increasing funding.

I recently relocated back to Naperville almost two years ago which is where I am originally from and have been a member of Our Saviour's for one year and as a new member, I have been so moved by the congregation, and when I first began attending Our Saviour's, I have gone to all services and have been moved by each church service.

I feel blessed to be a part of Our Saviour's as the church, pastors, and the congregation have been so welcoming and have put me on my next spiritual journey and next chapter.

I enjoy traveling, spending time with my family and great friends. I am a foody and enjoy working out and taking 4–5 mile walks daily. I would welcome the opportunity to serve on the Stewardship and Endowment committee. Thank you for considering me.

Jeff Colaianni

My name is Jeff Colaianni. I am 48 years old and serve as a Regional Sales Manager for Berlin Packaging. My wife, Alexandra, and I have been active members of Our Saviour's since 2018. During that time, we have been grateful to baptize both of our children, Evelyn and Anne, at OSLC and continue to stay engaged in the life of the church.

I have previously supported the Tech team and, over the past two years, have been involved in Youth Ministry during Sunday school at Celebration. I also

participate regularly in the Men's Well group on Wednesday evenings, which has been a meaningful way to grow in both faith and community.

I am truly grateful for the nomination to the Stewardship and Endowment Committee and believe the work of this group is vital to the long-term health and growth of the church. Stewardship is the lifeblood that enables us to expand our impact within the community. If selected, I would focus on helping clearly communicate both the value and the tangible return of giving, ensuring that all generations understand the importance of their support and feel connected to the mission it fuels.

Greg Hooper

My name is Greg Hooper, and I have been a member of Our Savior's for 50 years. Having grown up at Our Savior's, I have been fortunate over the years to participate in many ministries, including singing in choirs; serving as an acolyte, usher, and greeter; mentoring youth groups; and chaperoning ministry trips. I also served on the Celebration building committee and have even helped cut the grass from time to time, ha!

However, my favorite ministry has always been music. I have played drums with various choirs and ensembles and have been part of the 7:47, 6 p.m., and 10 a.m. services. I currently play with the 11 a.m. ensemble.

Professionally, I serve as the Director of Recreation and Facilities for the Lemont Park District, where I oversee all aspects of recreation programming and facility operations.

My wife, Robin, and our three children, Joseph, Emily, and Holly, have also participated in worship in various capacities over the years. I am honored to have been asked to serve on the Stewardship and Endowment Committee, and I look forward to contributing in meaningful ways while helping support the future of the church.

Kam Kniss (Re-election)

Kam Kniss is Senior Market Head, Wintrust Banks, overseeing the communitybanks and the retail banking line of business at Wintrust Financial Corporation.

Kam received his bachelor's degrees in business management and sports management with a minor in finance from North Central College. He serves on the board of directors for North Central College, Chicago United and the DuPage Children's Museum.

Kam and his wife, Bonnie, have three children, Krew, Kal and Khloe, and have been a member of Our Saviour's since 2013. They worship at the Celebration Campus, and Kam faithfully serves on the stewardship and endowment team.

Leeann Nasman (Re-election)

Lee Ann Nasman is pleased to be seeking re-election for a second term on the Stewardship and Endowment Committee. She has been a member of Our Saviour's for more than 30 years and has been active in many areas of church life, including formerly co-leading CARE Moms, supporting communications, and currently singing at the 11 a.m. worship service.

Outside of church, Lee Ann's professional experience includes 14 years at McCain Foods where she works in Marketing Operations, and she is a certified Project Management Professional (PMP).

She looks forward to continuing to contribute her skills, energy, and heart for ministry through the work of the Stewardship and Endowment Committee.

Mike Pura (Re-election)

Michael ("Mike") Pura has been at Our Saviour's since he and his family relocated to the area in 2014. Originally engaged in the Stewardship Committee, Mike now also participates as an Assisting Minister, primarily at the 11a.m. Our Saviour's service. Mike and his wife Lauren have a freshman attending Naperville North.
