

# CHRISTMAS

## ALL OVER THE WORLD

*Christmas Concert 2017*

*Grades 4 & 5*

*December 5, 6:15*

**Fun holiday music  
with an international flair!**

In order to create a festive appearance on stage, **all vocal music students** are requested to wear **a long-sleeved or 3/4 length sleeve solid red shirt** (Christmas red -- the color of this paper). The shirt can be any style -- dress shirt, flannel, tee-shirt, polo shirt, turtleneck, sweatshirt, sweater, etc., as long as it has proper sleeve length and is solid red (no printing, pictures, plaids, polka dots, pinstripes, etc.). **Nothing but red should show at the neckline, wrist, or waist.** In order to accommodate song movements, the shirt should be long enough so that no skin is showing when arms are fully extended above the head. The children will also need to wear **long black pants**. Any pants style is acceptable -- dress pants, black jeans, sweats, etc., as long as they fit properly like school uniform pants (not tight or baggy). **Dark shoes** are preferable, as well, if your child has them.

In accordance with school policy, **all vocal music students** are required to be present for the concert. An absence will result in a lowered vocal music grade for the second quarter. However, if your child absolutely has to miss for some reason, a written excuse **must** be submitted to me **before** the night of the program. The excuse **must state the reason for the absence** in order for it to be considered in the grading process.

Mark your calendars now for this global extravaganza. Come savor the musical flavors of an international Christmas!
