

## Electives

In addition to the core academic classes, electives are offered throughout the year. Students may select different electives every quarter:

6<sup>th</sup> Grade students – 1 twice-per-week elective

7<sup>th</sup>-8<sup>th</sup> Grade Students – 2 twice-per-week electives

**Spanish Basics** – Learn basic Spanish words and pronunciation.

**The Arts: Cinema Studies** – Explore various topics, such as space, historical events, and more through the medium of cinema

**JH Praise Band** – If you play an instrument or sing, tryout to lead praise & worship for Junior High chapels.

**6<sup>th</sup>-8<sup>th</sup> Grade Choir** – Do you enjoy singing and learning about music? Join our choir under the direction of Ms. Zerillo.

**Student Council** – Calling all leaders and volunteers to serve our SCS community.

**Math Helps** – Math teachers are available to assist you in completing your math work.

**Yearbook** – Be an active part of SCS history as you help create the yearbook.

**Instrument Practice** – If you are already in band, you may use this time to practice your instrument.

**Study Hall** – Need more time to do your homework? Sign up for Study Hall.

**STEM** – Science, Technology, Engineering, and Math are integrated with hands-on opportunities. Robotics/computer programming is integrated into the 8<sup>th</sup> grade STEM class.

**Art** – Besides learning art history, create with various art techniques and mediums.

**News & Publishing** – Learn how to gather facts and report on current events.

**Teacher's Assistant** – Interested in helping a teacher with her many tasks? This elective is for you!

**Keyboarding** – If you need to develop your typing skills, sign up for this class.

## Enrichment

In addition to electives, students rotate quarterly through various enrichment classes:

6<sup>th</sup> Grade Students –Art, STEM, and GeniusHour classes

7<sup>th</sup>-8<sup>th</sup> Grade Students –Computer Coding, Reading Comprehension, and Biblical Worldview classes

## PE & Computer Skills

6<sup>th</sup>-8<sup>th</sup> Grade students participate in PE 2x per week and Computer Skills 1x per week
