

STEAM Literature Class

DATES: June 4th-June 15th
TIME: 8:30-12:00
STAFF: Mrs. Peters
WHO: Students entering 2nd-4th Grade
WHERE: E-6
COST: \$250 (materials included)

This class is designed to bring literature to life through science, technology, engineering, art, and mathematics.

We will be diving into story elements as well as using many different types of learning strategies to help us better understand what an author is trying to teach us. If you are interested in learning what it takes for a car to work, how to build a hovercraft, or turning trash into art, this is a great class for you.

Please contact me at bpeters@stockdalechristian.com or text at 661-747-9754.

*Fees include materials used in the class.
