

SPRING CONCERT 2018

Grade 1

“ABUNDAWONDERFUL” LIFE IN JESUS

Tuesday evening, May 1, 6:15
(students report to classrooms at 6:00)

School policy requires all students to be present for the concert. An absence from the program will result in a lowered vocal music grade for the fourth quarter. However, if your child absolutely has to miss for some reason, a written excuse **must** be submitted to me **before** the night of the program. The excuse **must state the reason for the absence** in order for it to be considered in the grading process.

All students are requested to come dressed up in their concert best. The children have been working hard. Come discover for yourself just how “abundawonderful” life in Jesus can be!
