

SPRING CONCERT 2018

Grades 2 & 3

Tuesday evening, May 1, 6:15

(students report to classrooms at 6:00)

Using the code words **Love, Belief, Grace** and **Praise**, our young agents have uncovered the truth about Jesus and are eager to present it to you.

School policy requires all students to be present for the concert. An absence from the program will result in a lowered vocal music grade for the fourth quarter. However, if your child absolutely has to miss for some reason, a written excuse **must** be submitted to me **before** the night of the program. The excuse **must state the reason for the absence** in order for it to be considered in the grading process.

All agents are requested to come disguised as SCS students dressed up in their concert best. The **MP Force** has been hard at work. Come and enjoy!
