

# SPRING CONCERT 2018

## Grades 4 & 5

May 8, 6:15

(students report to classrooms at 6:00)

CREATED BY CHRISTY SEMSEN  
ARRANGED BY DANIEL SEMSEN

### **A musical time travel adventure discovering the importance of the cross and the message of the gospel.**

Jump in as we explore the relevance of the cross from Bible times to the present and beyond. You will have a "blast" revisiting the wild, wild west of the 1870's, the whacky roaring '20's, the groovy surfin' '60's, the totally tubular '80's, and even get a glimpse into the future!

**All time travelers (vocal music students)** are to wear a solid bright-colored T-shirt (no embellishments, printing or pictures, please). In order to accommodate song movements, the shirt should be long enough so that no skin is showing when arms are fully extended above the head. Students may also wear blue jeans (long pants, not shorts) along with the shirt. The jeans should follow denim day guidelines and fit properly with no holes of any kind (accidental or intentional). Please, no skinny jeans or jeggings.

In accordance with school policy, **all vocal music students** are required to be present for the concert. An absence will result in a lowered vocal music grade for the fourth quarter. However, if your child absolutely has to miss for some reason, a written excuse **must** be submitted to me **before** the night of the program. The excuse **must state the reason for the absence** in order for it to be considered in the grading process.

Mark your calendars now. You are sure to enjoy this fun-filled rousing romp through time.
