

SPRING CONCERT 2019
Grade K

HALLELUJAH

HEART!

An Evening of Praise
Presented by Grades K-3

Tuesday, May 7, 6:15
(students report to classrooms at 6:00)

Praise is a natural part of our being. We were made for praise. The secret to a **HALLELUJAH HEART** is praising Jesus all day long, everyday of the year. God smiles when He hears children singing praise to Him. The Bible says that God inhabits the praise of His people. Come experience Him as your children lead you into His presence through praise.

All students are requested to come dressed in their Sunday best. The children have been working hard. Come find out how much fun praising the Lord can be!
