SCS SUMMER PROGRAM STUDENT DRESS STANDARDS

We feel that the prime responsibility for a child's attire rests with parents. The book of Proverbs continually exhorts children to "hear the instruction of the father and forsake not laws of thy mother." The Word of God is clear in giving responsibility for discipline of children to parents, and the mode of dress provides an excellent opportunity for parents to exercise leadership in this vital area that is often left to fad, friends, or inclinations of the child. It is our desire to follow Biblical principles of modesty and exercise good taste in our code. We feel that dress standards should be consistent with our Christian testimony.

In view of rapidly changing fashions and fads in clothing design, the importance of a dress standard becomes increasingly evident. Since we are judged largely by our appearance, we dare not offend by adopting styles and fads which are purposely suggestive or vulgar. We are urging parents to exercise wisdom and discretion with regard to dress. Appropriate clothing encourages responsible behavior.

The administration reserves the right to determine appropriate attire for Stockdale Christian School's Summer Program. Our standards of grooming and clothing for boys and girls are designed to minimize competition in regards to dress, which seeks to draw attention to the individual. We encourage each student to gain recognition through a Christ-like attitude, personal charm, and conscientious work habits. We also appeal to parents to ensure that their children are appropriately and modestly dressed when leaving for school. A wise parent will stay well within the guidelines to avoid questions or embarrassment to either the student or the parent.

Guidelines to follow are as follows:

Boys – No baggy or saggy pants. Pants waistbands must hang from the waist.
Boys may not wear earrings.

Girls – No tank tops, spaghetti straps, tube tops, midriff tee shirts, baggy or saggy pants. Shorts should be no shorter than three inches above the center of the knee. Swim suits should be modest, with one-piece suits preferred.

DISCIPLINE

GENERAL STATEMENT

The Stockdale Christian School Summer Program is dedicated to the training of study, activity, and living that is "applied Christianity." We believe that all students should be taught to feel a God-given responsibility to walk honorably. Our program of discipline is based on Matthew 18: 15-17. It is always viewed in a positive and restorative sense. Our staff will maintain standards of behavior in the classroom with kindness, love, and genuine regard for their students. However, when disobedience occurs, and disciplinary action becomes necessary it will be firmly and fairly carried out. Students shall be responsible for their own behavior. They will be expected to obey all rules and regulations developed by the staff for the orderly operation of our program. Therefore, each student is personally responsible for behaving in a way that helps create a positive learning environment that is not degrading to himself or to others. **The administration reserves the right to deal with any and all actions not covered by these policies and procedures.**

PARENT AGREEMENT

Any parent whose child is enrolled in the Stockdale Christian School Summer Program must agree to our discipline and training policies in order to be enrolled in the program. Please be assured that these policies will be applied consistently and fairly by our staff. You must remember that this is not our unique way of child training, but it is God's way of child training, for we are claiming the scripture promise to "train up a child in the way he should go and when he is old he will not depart from those ways." Proverbs 22:6

As a parent, I agree to support the Stockdale Christian Summer Program staff. My child and I understand that attending Stockdale Christian School's Summer Program is a privilege and that if undesirable behavior persists; my student can lose the privilege of attending Stockdale Christian School's Summer Program.

Annual Field Trip Release/Emergency Medical Form

Summer Program 2018

This form will be on file with the Summer Program Administrator for the duration of the summer. An additional Permission to Participate form will be sent home prior to each off-campus trip.

I give my permission for _____, grade _____, to participate in all sports and school-sponsored trips away from the school premises throughout the current school year. Students will be accompanied by a teacher and will be under adequate supervision. I understand that I will be given at least 48 hours' notice of all trips away from the school premises. I further understand that I may revoke permission for a specific field trip by written notice hand delivered to the teacher more than one day prior to the trip.

Although the school desires to provide a safe and enjoyable time for all students, accidents can still happen. I/we understand that there are risks/dangers involved with participation in off-campus trips and their associated activities. In consideration of my child being allowed to participate in this event, I/we assume responsibility for those ordinary and reasonable risks associated with the travel and activities. I/we agree to hold harmless STOCKDALE CHRISTIAN SCHOOLS, its affiliated organizations, employees, agents, and representatives, including volunteer and other drivers, from any and all claims arising from my child's participation. This release agreement does not apply to claims of intentional (criminal) misconduct or gross negligence by the school, its employees, or volunteers. If such circumstances are proven, I/we acknowledge and agree that the school can assume no financial liability beyond its actual liability insurance policy in force.

In case of accident, illness, or other emergency, I/we request that the school contact me. If the school cannot reach a parent/guardian after conscientious effort, I/we give permission for school staff to call paramedics or any licensed physician or dentist. If a life-threatening emergency exists, I/we give permission for school staff to immediately call paramedics and then contact me/us as soon as possible thereafter.

I/we authorize and consent to any X-ray examination, anesthetic, medical, dental, or surgical diagnosis or treatment, and hospital care which, in the best judgment of a licensed physician or dentist, is deemed advisable. I/we agree to assume the financial responsibility for expenses incurred as a result of those services being provided. I/we also agree to be financially responsible for emergency medical transportation.
