HELP US TELL THE SCS STORY

As parents, you have the distinct advantage of knowing better than anyone the quality and value of SCS. Therefore, to help both the school's budget and your own personal budget, we are asking you to partner with us by sharing your story about SCS with your friends and co-workers. Beginning today, if a new family enrolls at SCS because of you for the 2019-2020 school year and remains enrolled throughout the entire school year, your registration fees for your first child will be waived for the following 2020-2021 school year. Just make sure that the new family or families name you as the reason they are enrolling at Stockdale Christian School. Thank you in advance for joining with our faculty and staff as we share with families who will benefit from being a part of the SCS family!
