

Welcome to Summer Session 2019

We are looking forward to another fun filled summer. In order to make it a safe summer we need to remind everyone of some of our rules. PLEASE dress your child comfortably in clothes that they can get dirty and have fun in. There will be days we will play in the mud and may get a little wet. We will also be painting, using chalk, water tables, etc. Each child needs a full change of clothes in their cubbies just in case of a potty accident or other mishaps. Please have the change of clothes with your child's names clearly marked on them.

We will be outside a good part of the day at different times - so if your child needs to wear sun screen you will need to apply it before your child comes to school. We will not be able to reapply any sun screen.

Children may not wear shirts that show their stomachs, crop tops, halters, backless shirts, etc. If your child should arrive with this clothing, he/she will be changed. Extremely short dresses or long dresses are not acceptable. If it is of a scary nature or you are in doubt do not have your child wear them.

It is best if your child wears tennis shoes. Sandals are okay with back straps. No thongs please. It is too easy to trip and fall in thongs. Cowboy boots, girls dress shoes with heels, shoes that are elevated, baseball cleats, tap shoes, etc. are not allowed.

Hats are okay but should only be worn outside. When they come inside the hats should go into their cubbies. Hats must be worn with the bill facing out. Please put your child's name on all articles of clothing. We are not responsible for any lost items. Belts are only allowed if your child can take care of it without help. Sagging pants or shorts cannot be worn.

Watches, necklaces, bracelets, etc. are not allowed. Dangly earrings are not allowed.

Sign in and out daily on your child's clipboard legibly with your first and last name and the time. This is a state law.

If your child takes a nap here, your child needs a sheet and a blanket or 2 sheets. This needs to be able to cover the bottom and the top of your child's cot. Again please mark all items.

If your child will be arriving after 9:00 AM please call (327-2227) and let us know so your child will be included in the lunch count. If it will be an every day occurrence, please let your child's teacher know.

Classes may be combined for activities or nap time.
