Hear God's Call Through the Voices of the Prophets

The Prophets: Messengers of God's Mercy is a 10-session study that explores **the powerful role the prophets played in calling God's people back to their covenant** with him.

Throughout Israel's history, God raised up prophets at critical moments to speak his word to his people. The prophets warned of the consequences of sin, called the people to repentance, and proclaimed God's faithful love and mercy. They spoke about the future in order to shed light on present events and reveal God's plan for

his people. Guided by Thomas Smith, **this study helps you understand who the prophets were, the message they proclaimed, and how their words continue to call us into a deeper relationship with God today.**

If I can't complete my home study preparation, should I still come to class?

Absolutely! While weekly home study preparation enables participants to deepen their small-group sharing experience, we recognize that busy schedules can sometimes get in the way. Your presence is always welcome! Small-group sharing, weekly video sessions, fellowship and community-building are all invaluable benefits you won't want to miss!

I'm concerned about joining a virtual class. I don't know how to use Zoom.

No worries! We're here to help!

There's no need to download anything. All that's required is a web browser, webcam, and microphone. Each week, your group facilitator will send a Zoom invitation to the eMail address you provided during registration. Simply click the secure link to open your web browser and follow the on-screen prompts to connect to your study session.
