Prayer is essential to the Christian life, yet many people struggle to know where to begin. It can be difficult to find time, know what to say, or overcome distractions and discouragement. Drawing from the **wisdom of the saints and the teachings of the Church**, this study offers practical guidance for building a consistent and

meaningful prayer life. Through each session, you will learn simple and powerful steps for prayer, gain tools to overcome obstacles, and **discover how God desires to draw you into a deeper relationship with him.**

To view the study videos at home or away, you must purchase a Digital Access license.

If I can't complete my home study preparation, should I still come to class?

Absolutely! While weekly home study preparation enables participants to deepen their small-group sharing experience, we recognize that busy schedules can sometimes get in the way. Your presence is always welcome! Small-group sharing, weekly video sessions, fellowship and community-building are all invaluable benefits you won't want to miss!

I'm concerned about joining a virtual class. I don't know how to use Zoom.

No worries! We're here to help!

There's no need to download anything. All that's required is a web browser, webcam, and microphone. Each week, your group facilitator will send a Zoom invitation to the eMail address you provided during registration. Simply click the secure link to open your web browser and follow the on-screen prompts to connect to your study session.
