Join us for a true adventure, getaway, and family vacation!

At Village Creek, you can connect with people to build strong lasting friendships, and be challenged and encouraged in your walk with the Lord. Building strong memories that help each of us to be confident individuals ready to face the world and make a difference is just part of the reason we're here.

A wide variety of activities, fabulous meals, inspiring chapels that leave an impact, and encouraging conversations around the table! Family Camp is a great week with time to connect with your family and your Heavenly Father.

Our Staff are here and ready to make your week the best week! They are second-to-none and the main reason Village Creek Family Camp is so unique. A Staff Assistant is provided for each family for the week-long camps to help out with kids and serve you. They provide the opportunity for you to relax and focus on quality time with your family - we want you to feel like it's your second home!

Activities scheduled with your family in mind!
