CRAFTING RETREATS

MARCH 20-22
AUGUST 21-23
NOVEMBER 6-8

The perfect girls' getaway includes rest, relaxation, friends, and great conversations. This retreat provides all of these benefits plus opportunities for meditating on God's Word and growing your relationship with the Lord. You will leave this weekend feeling energized and renewed - unless you stay up all night scrapbooking or quilting!

Arrive as early as Wednesday afternoon for additional crafting time (offered during March and November; Thursday arrival offered for August). The meals are yummy, the atmosphere is energizing and provides a creative space, and the discussions are life-giving. Don't miss this incredible weekend away from the distractions of everyday life.

Girls 12 and older are welcome to join their mothers for any of these retreats. Please fill out a separate registration for each person attending.

In 2026, youth are welcome; they must register as individual campers, and moms with daughters will be seated in a separate space from others who don't have kids along.

A great retreat option with activities for all ages of daughters is the **Women & Girls Retreat - April 24-26.**
