SPIRITUAL WARFARE TRAINING LED BY TERRY BAXTER

IN DEPTH

What is the Freedom Quest?

Ever wonder what spiritual warfare is about? Does it affect you or the people you know? Freedom Quest Workshops are solid biblical seminars on Spiritual Warfare taught worldwide by Terry Baxter over the past thirty-five years. These workshops are designed to equip Pastors, Missionaries, and Christian workers for practical intervention while helping Christians break the grip of sinful bondage in their lives. It is a great format for both counseling and discipleship.

Join us for a weekend retreat that goes in depth on this training. The retreat runs Friday Supper through Sunday lunch with meals, housing, and training materials included in the price. Housing is dorm style; if you'd prefer a private bathroom there are a limited number available for a small surcharge.

TERRY AND GO-SERV

Terry was born and raised in Cambridge, Minnesota. He graduated from Moody Bible Institute in Chicago. Terry married his wife Debby in 1979, and they were blessed with 9 children and now a rapidly growing number of grandchildren (26 and counting). Terry and Debby lost their youngest child to trisomy 13 shortly after birth. They have gone through the valleys of adversity and can relate to grieving parents.

Terry is ordained, has pastored five churches and has spoken in hundreds of churches, camps, conferences, and evangelistic events nationally and internationally.

In 2010, Terry became co-founder of GoServ Global, which launched shortly after the earthquake in Haiti. He and his wife, Debby, are full-time faith missionaries under the same organization. Terry is one of the public faces and promoters for GoServ Global.

GoServ Global works in several countries sharing the gospel and love of Jesus to those recovering from natural disasters.

Terry is now in a season of writing, speaking at numerous events, and teaching Freedom Quest Workshops both nationally and internationally. The workshops are a culmination of 35 years of equipping pastors and missionaries for spiritual warfare and helping believers to come to lasting freedom in Christ.

On the lighter side, Terry is an avid hunter, water sports enthusiast, outdoorsman, woodworker, sawyer, and pilot. He is just a common Terry with an uncommon love for Jesus.
