

Village Creek Bible Camp Volleyball Camp

Designed for athletes of all skill levels, our Volleyball Camp offers a dynamic and supportive environment where players grow both on and off the court.

Throughout the week, campers will be challenged on the court physically, mentally and emotionally. Off the court they will be encouraged spiritually and socially. Whether you're just starting out or refining advanced techniques, our goal is to provide a meaningful and memorable experience for every participant.

Expect to:

- Improve competency serving
- Elevate your blocking and hitting
- Enhance your passing, setting, and volleyball IQ
- Receive position-specific training
- Learn how to add inches to your vertical
- Grow in your confidence as a player
- Advance your communication
- Cultivate Team Play

Campers will train with passionate staff who are committed to building confidence and character in a fun, faith-filled atmosphere.

Since 2014, VCBC Volleyball Camps have been working to provide a comprehensive volleyball program for athletes who aspire to be their best on and off the court.

Our experienced coaches emphasize:

- Fundamental skills and proper technique
- Mental toughness and resilience
- Goal-setting and personal growth
- Teamwork and communication
- Volleyball IQ and strategic thinking
