V. Education Component Mission and Vision Statements status update: It is important that our Parish have a clear and identifiable mission that describes what we represent today, as well as an inspirational vision that will help guide us into the future. Steve explained the process that he and the Leadership core team have taken thus far to create the new Mission and Vision Statements that best represent the Parish of St Teresa of Calcutta. The latest working drafts was shared with Pastoral Council for review. Similar opportunities are scheduled for the Finance Council, Staff, and Ministry Leaders for their review of latest versions. Steve and the Leadership core team will incorporate ongoing feedback as necessary for new drafts then revise a final version to present to the Parish in May. Once new Mission and Vision Statements are in place, the next steps for the core team will be setting goals with objectives and expectations, creating budgets and creating action plans.

VI. Closing Prayer We adjourned the meeting at 10:30 am, with a prayer.
