## Have Fun and Fight Hunger

While you make plans to come and be a part of the Fall Festival, please donate to our Food Drive Bins. There are too many that go to bed hungry. Please help us fill the bins and feed those less fortunate. Our community needs us!

### FALL FESTIVAL Food Drive Challenge

Help fight hunger and make a difference in our community!

Non-perishable and canned food will be collected **October 9-14.**

Mr. Maloon has agreed that if we fill up the barrel by the end of this week, the students who brought a bag of donating food will get a **FREE water balloon** at Fall Festival and they can throw their **FREE water balloon** at him!

- \* Please bring your bag of donating food to your classroom teacher for a FREE water balloon count.
- \* The FREE water balloons will be available at 2nd Grade Water Balloon Booth only at 1-2pm.
- \* Only the students who have earned the FREE water balloon can throw their water balloon at Mr. Maloon between 1-2pm.

### 1st Quarter Ends

Friday, October 19th, is the end of the 1st Quarter. Encourage your child to finish the quarter strong. You are probably already checking their grades RenWeb, but if not, please review them with your child on a regular basis. Help them start good habits; research shows that those that do check their progress regularly do better.

### OLWEUS

"The largest study of bullying prevention efforts in U.S. schools (at Clemson University) has revealed significant, sustained positive impacts from the Olweus Bullying Prevention Program (OBPP). The research documented clear reductions in student reports of being bullied and bullying others. Overall, the results were stronger the longer the program was in place." *The Newsstand.*, 6/26/18 <http://newsstand.clemson.edu/mediarelations/new-research-reveals-positive-impact-of-program-to-reduce-bullying-and-create-safer-schools/>
